ADVANCED TREATMENTS: LASER TREATMENTS (GABORONE ONLY)

Carbon Laser Advanced Facial

P500

Treatment designed to deeply cleanse the skin, remove excess oil, and improve skin texture and brightness. It is often called a Hollywood facial because it leaves the skin looking clear, smooth and glowing.

Laser Pigment Correction *(From P100 depending on the size of the pigment)*

The treatment helps lighten dark spots and improve skin tone by breaking down excess pigment in the skin. The laser sends gentle pulses of light into the skin that target pigment. The pigment absorbs the laser energy and breaks into smaller particles, which the body gradually removes overtime. The treatment can help to improve sun spots, age spots, freckles, some types of pigmentation.

ADVANCED TREATMENTS: MICRONEEDLING

Botox Effect Microneedling

P900

An anti-ageing treatment that helps reduce the appearance of fine lines and wrinkles by stimulating collagen and tighten the skin without using injections

SCULPTING PROGRAMS (GABORONE ONLY)

Infrared Detox Program

P900

6 x Infrared Sessions

An infrared sauna uses gentle infrared heat to warm your body from inside. This helps the body sweat, release toxins, relax muscles and improve circulation. Unlike a traditional sauna, it penetrates deeper in to the body. Key benefits are: detoxification, improves blood circulation, helps with weight and water retention, muscle & joint relief, stress relieve and relaxation, skin health

Sculpt & Tone Program

P600

6 x Faradic Treatments

This is a body toning treatment that uses gentle electrical muscle stimulation to contract and strengthen muscles. It helps tighten, tone and improve body shape.

Sculpt Transformation

P2800

Fat Reduction – Lipo laser break down stubborn fat cells in areas like the stomach, thighs, arms, waist and buttocks. Detox & Circulation – Infrared sauna helps the body sweat and release toxins, improve circulation and helps the body to remove the broken-down fat. Muscle Toning– The faraday treatment stimulates muscles, helping tighten and tone the body so the skin looks firmer

2 x Inbody Scan

6 x Lipo Laser Fat Reduction

6 x Infrared Sauna Detox

6 x Faradic Muscle Toning

Melasma Correct Algae Therapy

P750

A skin treatment designed to help lighten and control Melasma. It combines an algae peel to renew the skin and a professional whitening serum to help reduce dark patches and even out the skin tone

Advanced Acne Repair Peel

P700

Advanced repair combo is a skin renewal treatment that combines an algae peel with a powerful skin repair serum. It helps stimulate skin regeneration, improve texture and correct concerns like acne pigmentation, acne pit and dull skin.

Age Defy Algae Renewal

P700

This treatment combines an algae skin renewal peel with powerful skin repair serums containing caviar extract and copper peptides. It helps exfoliate damaged skin while delivering nutrients that stimulate collagen and improve skin texture, glow and firmness

Deep Muscle Recovery Therapy

P750

A treatment designed to relax muscles, detox the body, and relieve tension. It starts with an infrared sauna to warm and relax the muscles, followed by a deep tissue massage to release muscle tension. When muscles are warm, the deep tissue massage becomes more effective and more comfortable.

Signature Gel Hands & Toes (*Gaborone P350, Francistown P250*)

Signature Gel Pedicure (*Gaborone P450, Francistown P350*)

Brows & Underarm Wax (*Gaborone P170, Francistown P120*)

FOOT TREATMENTS

Baby Soft Feet Renewal (*Gaborone P300, Francistown P250*)

A treatment designed to remove dead skin from the feet and reveal softer, smoother, healthier looking skin. It helps improve rough heels and dry feet. The treatment starts with foot mask application to the feet to help loosen dead skin cells. The peeling process will take a few days where the dead skin naturally begins to peel away, once the peeling is complete you come back to the spa to soak your feet in warm water to soften the remaining dead skin and leave your feet smooth and soft

Classic Pedicure (*Gaborone P350, Francistown P275*)

A basic foot care treatment designed to clean, shape and maintain healthy feet and toe nails while leaving the feet feeling soft and refreshed.

Foot Soak • Nail Care • Cuticle Care • Exfoliation • Foot Massage • Nail Gel (Optional at extra cost)

MASSAGES

Full Body Hotstone Massage (*Gaborone P560, Francistown P500*)

A relaxing massage where smooth heated stones are placed on the body and used during the massage to help relax muscles, improve circulation and relieve tension.

Full Body Tension Release Massage (*Gaborone P500, Francistown P450*)

Full body massage to help relieve muscle tension, stiffness and stress

Entire Back Hotstone Massage (*Gaborone P490, Francistown P450*)

A relaxing massage where smooth heated stones are placed on the body and used during the massage to help relax muscles, improve circulation and relieve tension.

Entire Back Tension Release Massage (*Gaborone P450, Francistown P400*)

Entire back including scalp focused massage to help relieve muscle tension, stiffness and stress

Swedish Relaxation Massage (*Gaborone P450, Francistown P400*)

Gentle full body massage designed to relax the muscles, improve circulation and reduce stress.

Aroma Bliss Massage (*Gaborone P400, Francistown P350*)

A relaxing massage that uses aromatic essential oils to help calm the body, relieve stress and promote deep relaxation

Prenatal Massage (*Gaborone only*)

P400

Gentle massage specifically designed for pregnant women to help relieve body discomfort, reduce stress and improve relaxation during pregnancy. The massage uses gentle and safe techniques to relax muscles and improve circulation while ensuring the comfort and safety of both the mother and baby.

Back Tension Release Massage (*Gaborone P330, Francistown P300*)

Neck, Shoulder and Scalp focused massage to help relieve muscle tension, stiffness and stress

Total Body Recovery Therapy (*Gaborone only*)

P200

A treatment that uses compression garment for full body to gently apply pressure to different parts of the body. This helps improve circulation, reduce muscle fatigue and support faster recovery. It helps improve circulation, reduce swelling and support muscle recovery. It can be used by athletes or people who exercise, people with tired or heavy legs, swelling or water retention, people who travel a lot, people who want detox and relaxation.

Leg Recovery Therapy (*Gaborone only, Francistown by group request*)

P150

Massage using special compression boots to gently squeeze and release in a rhythmic pattern to improve blood circulation, reduce swelling and relax tired muscles. It's great for people who stand or walk a lot, exercise regularly, travel often or experience swelling or fatigue in the legs.

SKIN TAG & WARTS REMOVAL

From P60, price depends on the size of the area

A treatment that uses a small electrical current to safely remove skin tags. The current gently destroys the tissue of the skin tag so it dries up and falls off.

PERMANENT BROWS & TATTOO REMOVAL (GABORONE ONLY)

From P230, price depends on how big the tattoo is.

Laser is used to break down tattoo ink particles in the skin so the body can gradually remove them. It usually requires several sessions because the ink fades gradually.

LASHES & BROWS

3D Lash Extensions	P300
Classic Lash Extension	P450
Eye Brow Tinting	P150
Lash Removal	P150

MAKE UP

Basic Make Up (*Gaborone P300, Francistown P250*)
